

CLAUSING MACHINE TOOLS AND BOSTON MACHINERY BRING YOU THE BEST...

A consistently favorite member of the Clausing/Colchester line of top performance engine lathes, the 15" model offers all of the outstanding quality and value features that have made Clausing/Colchester one of the most respected brands in the world.

By any standard—capacity, accuracy, efficiency, cost-effectiveness—you can't buy a better lathe in its range. Many have imitated the Clausing/Colchester 15" ... but none have duplicated it for immediate and lasting value.

A machine that can live up to those claims has a lot to be said about it. We look forward to telling you more. To start with, here are some of its basic features:

- 15-1/4" Swing Over Bed
- 9-1/2" Swing Over Cross Slide
- 30, 50" Center Distance
- D1-6" Camlock Spindle
- 2-3/16" Spindle Thru-Hole
- 2-1/8" Bar Capacity
- 16 All-Geared Speeds—25 to 2000 RPM
- 7-1/2 hp Spindle Drive
- Threading Dial
- Splash Guard
- Foot Brake
- Precision Gamet Bearings
- ... and many more

CLAUSING MACHINE TOOLS AND BOSTON MACHINERY PRESENT...

For years, the Clausing/Colchester name has been synonymous with quality and value . . . and Clausing/Colchester machines are among the most imitated (but not duplicated) in the world.

This 11" lathe, the latest addition to our line of top performance engine lathes, sets new industry standards in its range.

Quality is the key. Consistent quality in design, construction, adaptability, use and performance. Quality in value . . . in profitable cost-effectiveness . . . by any standard.

There's a lot to say about this outstanding machine, but here are just some of the basic features:

- 11" Swing Over Bed
- 7" Swing Over Cross Slide
- 30" Center Distance
- D1-3" Camlock Spindle
- 1-3/8" Spindle Thru-Hole
- 1-1/16" Bar Capacity (5C)
- 16 All-Geared Speeds—
30 to 2000 RPM
- 2 hp Spindle Drive
- Threading Dial
- Splash Guard
- Foot Brake
- Precision Gamet Bearings
- . . . and many more
